¹ All Deposits are initially invested in a special Daily Interest Fund pending their investment on the next issue date. The sum accumulated on this date, called the Initial Date, constitutes the Initial Deposit and will be invested in **Guarantee Advantage**[®] if the minimum Deposit is respected. The maturity date of a Pre-Authorized Debit Agreement (PAD) depends on the Initial Date and term.

² Eligible for LIFs only under the Quebec legislation.

³ No periodic payments for a RRIF or a LIF. Your representative can show you how to generate RRIF income by allocating funds between **Guarantee Advantage**[®] and a redeemable term investment.

⁴ This is for your information only and does not constitute a legal opinion. The exemption from seizure rules can differ by province and can be very complex. Contracts are subject to seizure if it can be proven that the plan was set up to avoid paying off a debt or if the Owner goes bankrupt within one year of designating a Beneficiary. We recommend that you contact a lawyer or notary to review your specific situation.

The information contained in this material is subject to change without notice.

Desjardins Insurance reserves the right to suspend **Guarantee Advantage**[®] Deposits for the February 2018 campaign or to postpone the Initial Date.
